

List of third Parties for ATM Cards Production

These third parties play important roles in ensuring the security and efficiency of our ATM card operations. Please find below the details of each third party:

Afrigopay Financial Service Limited: Card Scheme Owner

- Afrigopay Financial Service Limited is the owner of the card scheme under which our ATM cards are issued.
- They set the rules and regulations governing the use of our cards and manage the overall card scheme.

Secure ID: Perso Vendor for Card Production

- Secure ID is our personalization vendor responsible for producing and personalizing our ATM cards.
- They ensure that each card is uniquely personalized with the cardholder's information

Wema Bank: Settlement Bank

- Wema Bank serves as our settlement bank for ATM card transactions.
- They handle the transfer of funds between the cardholder's account and the merchant's account during transactions.

These third parties are integral to the functioning of our ATM card operations, and we work closely with them to ensure the security and efficiency of our services.
